FEELINGS

- Sad

- Angry

- Embarrassed

- Ashamed

Who can tell me what
ashamed means?

yourself?

Good Touch

- A good touch for me is when someone I know gives me a hug and says hi.
- What about you?

Bad Touch

- Bad touch for me is when someone hits me.
- What about you?

How many of us like hugs,
kisses, and touches from
people we know, love, and
trust?

How about those same kinds
of touches from people we
do not know, do not like, or
do not trust?

When we get touches, we
get feelings inside.

- Good touches give us good feelings.

Sometimes touches can give us bad feelings inside.

- Sad
- Frightened

Tickling

- Sometimes even when we think tickling is a good touch it can become a bad touch.

- Good! Now you be the judge.

When tickling becomes bad touch

- It lasts too long
- It is too hard
- It starts to hurt
- You start to cry
- It gets hard to breathe

You make the call!

- If you get a touch you do not like - what is it called?
