- God has made each one of us in His image.
- We are fearfully and wonderfully made.
- Must remember we need to be accepted by God.
- Those on media- spend years starving themselves and have teams helping them look good.
- Our job is to focus on our inner beauty.

I like to wear nice clothes to attract guys. Is that wrong?

- Guys are more visual- that means they look at it.
- There is nothing with looking nice- but it is important to protect what God has given you.
- You can look nice and stylish without dressing provocatively or wanting to get guy's attention.
- The guy who just pays attention to looks is not the kind of guy you want attention from.
- Good guys share values of modesty and purity and worth waiting for.

Why did God give us sex? Is it controllable?

- Sex is an expression of love between two who have been united through the work of the Holy Spirit. (John 10:6-9)
- When experienced in the holy bond of marriage as God has designed it, it is good.
- Real love gives and not takes; first you give your mind, heart and soul and then last even the body to the person that you love. This is the completion of this love, this is the system that God has created for us in marriage.
- Yes we can, we are not animals. (Galatians 5:16-18)
- It's a choice, of course we can. By the power of the Holy Spirit we can overcome temptation, but it is not easy – stay away from the cliff! Ephesians 5:26-27

I want to know about sexual stuff and learn about it- is that ok? What should I do if I see a bad image?

- It is normal to be curious about your own body and other bodies.
- It is important though to understand that there is a time and place for everything.
- Talk to your mom or an older female servant for questions you have.
- For bad images- bounce your eyes. You cannot keep the birds from flying- but you can stop them from nesting on your head.

Can I tell Abouna anything during confession?

- Yes he is a representation of Christ and will not judge you.
- God and Abouna will be sad for your struggle , not angry at you.
- Abouna has heard similar things from other people and he never judges you. He takes your sins and struggles and gives them to the Lord.

Recap

- Purity is a process.
- It's important to work on a relationship with God.
- This here is a safe space for you to share with your female servants how you feel.
- Feeling things isn't wrong-it's what you do about them that matters!
